Policy Statement

It is the purpose of the University of Maine System Student Conduct Code to promote the pursuit of activities that contribute to the intellectual, ethical, and physical development of the individuals under the auspices of the University of Maine System (hereinafter referred to as "University") and the individual campuses. It is also the purpose of this Code to ensure the safety of persons engaging in those pursuits; to protect the free and peaceful expression of ideas; and to assure the integrity of various academic processes.

It is expected that students will conduct their affairs with proper regard for the rights of others and of the University. All members of the University community share a responsibility for maintaining an environment where actions are guided by mutual respect, integrity, and reason.

All members of the University are governed by University policies, local ordinances, and state and federal laws. For specific governing documents, students and/or campus organizations may refer to the University Policies and Procedures manual; campus student handbooks; campus residence hall agreement and manual; and related notices and publications. Individuals in violation of state and federal law are subject to prosecution by appropriate state and federal authorities regardless of whether the activity occurs on or off the campus. In addition, the student may be subject to disciplinary action by the University pursuant to this Code. The severity of the imposed sanctions will be appropriate to the violation and circumstances of the situation.

In seeking to encourage responsible attitudes, the University places much reliance upon personal example, counseling and admonition. In certain circumstances where these preferred means fail, it must rely upon the rules and procedures described in this Code. **IN THE ENFORCEMENT OF THIS CODE, THE UNIVERSITY FUNCTIONS IN AN ADMINISTRATIVE MANNER.**

THE UNIVERSITY'S ADMINISTRATIVE PROCESS AFFORDS FUNDAMENTAL FAIRNESS, BUT DOES NOT FOLLOW THE TRADITIONAL COMMON LAW ADVERSARIAL METHOD OF A COURT OF LAW.

I. Jurisdiction

- A. The University of Maine System Student Conduct Code (hereinafter referred to as "Code") shall apply to the following:
 - 1. Any person(s) registered or enrolled in any course or program offered by the University or any person accepted to the University. A person is deemed to be enrolled in any such course or program until such time as he or she has officially graduated from the University or has been suspended or dismissed or has not been enrolled in any course or program within the University for one calendar year. Students taking distance courses provided by or presented at a University shall be deemed enrolled for the purposes of this Code.
 - 2. Any recognized student organization or any group of students not currently recognized but under probation or suspension.
- B. The Code may be applied only in cases of conduct:
 - 1. occurring on any campus of the University, on any other University real property, or on University-related real property, or
 - 2. involving University personal property or University-related personal property, or
 - 3. at activities pursued under the auspices of the University, or
 - 4. in which the University can demonstrate a clear and distinct interest as an academic institution regardless of where the conduct occurs and which seriously threatens (a) any educational process or legitimate function of the University or (b) the health or safety of any member of the academic community.

IV. Sanctions

If a Respondent admits to a violation of this Code to the Officer or the Committee or upon determination by the Officer or Committee that the Respondent has committed a violation of the Code, one or more of the following sanctions may be imposed by the campus where the Respondent is currently enrolled or attending, in accordance with the provisions of this Code (see Section V.):

- A. Disciplinary Dismissal - permanent separation (subject to the right of review after five years) from the University.
- B. Disciplinary Suspension - separation from the University for a stated period of time and/or until a stated condition(s) is met.
- C. Disciplinary Probation - a period of time when a Respondent is under closer scrutiny of the University. It may include the loss of one or more privileges.
- D. Official Warning - official acknowledgment of a violation and the expectation that it will not be repeated.
- E. Deferred Sanction - a specific period of time during which a Respondent's continued enrollment or housing contract at the University is clearly in jeopardy. Any further violation of the Code during that time will minimally result in the imposition of the deferred sanction and any additional sanctions deemed necessary.
- F. Restitution - up to the replacement value of the items damaged, stolen, removed or used

- without authority and damages incurred.
- G. Removal from University Housing - removal from a particular hall or all housing.
 - H. Loss of Visitation Privileges - this loss of visitation may be to any designated area(s) of campus.
 - I. Loss of Contact with a Specific Person(s) - with this sanction, the person may not initiate direct or indirect contact with a specified person(s).
 - J. Fine - payment of money. Respondents who are unable to pay may discuss alternate payment arrangements with the Officer.
 - K. Community service related to violation.
 - L. Assigned Educational Projects - this may include research projects, reflective essays, counseling assessments, sanction seminars or other related assignments intended to promote learning.
 - M. Such other action as the Committee or Officer may reasonably deem appropriate (e.g., suspension of organization's official campus recognition or suspension from extracurricular activity).

The institution may impose a harsher sanction on the Respondent when the Officer or Committee determines that the Respondent intentionally selected the person or organization against whom the violation was committed, or selected the property damaged or stolen, because of the race, religion, color, sex, sexual orientation, including transgender status or gender expression, national origin or citizenship status, age, disability, genetic information or veteran status of that person, the persons in the organization or the owner of the property.

Respondents who are suspended will not be permitted to attend any of the University institutions during the sanction period. After the sanction period has been completed and all requirements of the suspension have been met, the Respondent is eligible for readmission to any University institution. For a Respondent preparing to transfer to a non-University institution, who has been suspended for a violent crime or a sex offense, a letter will be attached to his/her transcript explaining that he/she has been suspended. If the Respondent is transferring to a non-University institution after the sanction has been completed; the letter will not be attached to the transcript.

Respondents who are dismissed will not be permitted to attend any of the University institutions. After five (5) years from the date of the dismissal, the Respondent may submit a written request to be readmitted to attend one of the University institutions. For a Respondent preparing to transfer to a non-University institution, who has been dismissed for a violent crime or a sex offense, a letter will be attached to his/her transcript explaining that he/she has been dismissed. After five (5) years from the date of the dismissal, the Respondent may submit a written request to have the letter attached for transfer applications to non-University institutions removed from his/her transcript. Requests for readmission or removal of the letter attached for transfer applications must be submitted to the Officer of the institution from which the Respondent was dismissed. The Officer will convene the institutional committee designated by the President to review such requests pursuant to the campus written procedures.

V. Procedures

Each of the University institutions may adopt procedures for carrying out the provisions of this Code within the guidelines set forth by the Code as described below and consistent with the Code. University institutions having a professional code of ethics may adopt additional procedural provisions to be applicable to their own students. When a Respondent is alleged to have violated this Code on a System campus other than that in which he/she is enrolled, the case

will be referred to the Respondent's home institution for disposition. Each campus President shall designate a campus official(s) to perform the functions of the Officer(s) and shall establish a Committee. The Officer shall not be a member of the Committee.

ADMINISTRATION AND INTERPRETATION OF THE STUDENT CONDUCT CODE SHALL BE SOLELY WITHIN THE JURISDICTION OF THE OFFICER, COMMITTEE AND THE PRESIDENT OR HIS/HER DESIGNEE ON EACH CAMPUS, SUCH INTERPRETATION BEING PURSUANT TO THE PROCEDURES OF THIS CODE.

A. Responsibilities of Officer

1. The Officer may initiate and supervise investigations of possible violations of this Code which are brought to his/her attention by employees, students, or members of the general public. The Officer may conduct an investigation to determine if the charges have merit and/or if they can be disposed of informally by mutual consent of the parties involved on a basis acceptable to the Officer. The Complainant shall have the right to end the informal process at any time and begin the formal complaint process. In cases of sexual assault, informal resolution will not be used even on a voluntary basis.
2. Upon concluding the investigation, the Officer shall notify the Respondent and the Complainant, in the case of gender discrimination, sexual harassment or a sexual offense, in writing of the Officer's decision on whether charges will be filed.
3. If charges are being filed the Officer shall notify the Respondent and Complainant, in the case of gender discrimination, sexual harassment, or sexual offense in writing of the charge(s), the complaint(s), the date(s) of alleged occurrence(s), the Code section(s) which is (are) alleged to have been violated, the maximum possible sanction which may be imposed, date of hearing, and the Respondent's and the Complainant's, in the case of gender discrimination, sexual harassment or a sexual offense, rights of review.
 - a. This notice shall indicate if the hearing is to be before the Officer or Committee.
 - b. This notice may be delivered personally, mailed to the Respondent and the Complainant, in the case of gender discrimination, sexual harassment or a sexual offense, to his/her last known address, or be delivered through the use of the student's University e-mail account.
 - c. If the hearing is to be before the Committee, this notice will afford the Respondent and the Complainant, in the case of gender discrimination, sexual harassment or a sexual offense, the opportunity to meet with the Officer prior to the hearing of the alleged violation(s).
4. If no charges are being brought the Officer shall notify the Respondent and complainant, in the case of gender discrimination, sexual harassment, or sexual offense in writing of the fact that no charges are being brought by the Officer and the Complainant's, in the case of gender discrimination, sexual harassment or sexual offense, right of review.

B. Administrative Hearing Before Officer

1. If the Respondent or any other party is not present at the time appointed for the hearing, the Officer shall first attempt to determine the reason for that person's absence. The Officer may proceed in a normal manner without Respondent's attendance or any other party's attendance, may hear only a portion of the testimony and adjourn to a later date, or may continue the entire hearing to a later date. The Officer may not consider the absence of Respondent or a party as relevant to whether the Respondent committed the alleged violation of the Code.
2. During the meeting or hearing with the Respondent and the Complainant, in the case of

gender discrimination, sexual harassment or a sexual offense, no party present shall be accompanied by legal counsel, except when the Respondent also faces criminal charges for the same incident. All parties may be accompanied by an advisor or support person, for example, his/her parent(s), legal guardian(s), advocate, or member of the University community.

3. During the hearing, the Officer may hear and consider any relevant information. Efforts will be made to obtain the most reliable information available. The Officer may not consider:
 - a. Information obtained directly or indirectly through a search of a Respondent's person, effects, or room without his/her consent, unless obtained pursuant to a warrant or other legal search. Nothing in this section shall be deemed to prohibit routine inspection or maintenance of a Respondent's room; and nothing in this section shall be deemed to prohibit forcible entry of any place or constraint of any person in order to prevent harm or damage to person or property when made with reasonable belief that such damage or harm is occurring, has just occurred, or is about to occur.
 - b. The Respondent's refusal to consent to a search or to give information concerning the alleged facts. If the Officer is aware that a criminal prosecution relating to the same violation(s) is being conducted, or such action appears likely to be made, independent of the hearing, the Officer will notify the Respondent in advance of the right to remain silent, and the Officer shall draw no inference from the Respondent's refusal to give information.
4. The Officer shall then:
 - a. Make a determination that the Respondent is In Violation of the Code only if convinced by a preponderance of the information presented that the Respondent has committed the act(s) as alleged. If the Officer determines the respondent is In Violation of the Code, the Officer shall impose appropriate sanctions. Sanctions shall become operative immediately after written notice thereof has been given to the Respondent. Sanctions may be stayed in the event the Respondent submits a request for review by the Committee in accordance with this Code (see Section C below), or
 - b. If the Officer determines the respondent is Not In Violation of the Code, the Officer shall dismiss the case or
 - c. Refer the matter to the Committee if the Officer is in doubt as to whether acts have been committed which constitute a violation of this code, or
 - d. Refer the matter to the Committee if the Officer is in doubt of which, if any, sanction ought to be imposed, or
 - e. Refer the matter to the Committee if there is a conflict of interest for the Officer, and
 - f. In the case of an alleged sexual offense or violent crime, inform the Complainant of the outcome of the proceeding and the Complainant's right of review. In the case of gender discrimination or sexual harassment, the Officer shall inform the Complainant of the determination of whether there was harassment and any sanctions that directly relate to the Complainant and the Complainant's right of review.
5. Notwithstanding the above, a Respondent may be suspended from the University or have privileges revoked pending the outcome of a disciplinary proceeding if, in the judgment of the Officer, the Respondent's continued presence or use of privileges at the University pending the outcome of the proceeding is likely to pose a substantial threat: to self or other people or groups of people and/or of causing significant property damage and/or of disruption of or interference with the normal operations of the University. The Officer will make a judgment on interim action based on the review of the alleged conduct. Ordinarily, the Officer will converse with the Respondent when interim action is considered. A Respondent sanctioned under this section may seek review of that decision

by requesting the President or his/her designee to review the decision within 5 calendar days after the Respondent has received notice of the interim action. The Respondent may request that a formal Committee hearing be held as soon as practicable. In the case of gender discrimination, sexual harassment or a sexual offense, the Officer shall inform the Complainant of any interim action that directly relates to the Complainant.

C. Right of Review Beyond Officer

1. The Respondent, or the Complainant, in the case of gender discrimination, sexual harassment or a sexual offense, may direct a request for review of the Officer's findings or actions to the Committee, for any of the following reasons:
 - a. Review of the procedures followed.
 - b. Appropriateness of the sanction.
 - c. New information that was not available at the time of the hearing with the Officer.
 - d. The information does not support the Officer's finding. The outcome of this review may result in higher, lower, the same, or no sanction at all being imposed.
2. Requests for review shall be in writing and shall state the issue(s) to be reviewed and provide a detailed rationale for the request. This written request for a review must be received by the Officer within seven calendar days after the Respondent/Complainant has received notice of the findings. The Officer shall promptly forward the request for review to the Committee.

D. Responsibilities of the Committee

1. After notification from the Officer, the Chair of the Committee shall, as soon as practicable:
 - a. Notify, in writing, the Officer and the Respondent, and the Complainant, in the case of gender discrimination, sexual harassment or a sexual offense, of a date, place, and time for hearing with the hearing normally to be held not earlier than five calendar days, not later than 14 calendar days after issuance of notification by the Committee. Notification will be in the same manner as set forth in Section V.A.(2)(b) above.
 - b. List in the notice to the Respondent/Complainant the names of the Committee member(s) conducting the review and witnesses being invited by the Officer.
 - c. Make arrangements for the keeping of a recorded record of the proceedings. In cases of a review, the Respondent charged with the violation, his/her representative and authorized University officials may have access to the record for purpose of review relating to a request for review but no copies shall be made except by the University. Such record shall be kept by the University campus for three years after all review rights have been exhausted at which time such record will be destroyed. Such records of hearings are deemed to be Student Education Records under the Family Educational Rights and Privacy Act of 1974 and may not be disclosed publicly except as provided in such Act. No recording in any form, other than the one made by the Committee, is permitted at the hearing. In the case of gender discrimination, sexual harassment or a sexual offense, the Complainant may have access to the portions of the recording pertaining to the Complainant.
2. Composition of Committee
 - a. The Committee shall consist of at least three, but no more than seven, members, at least one of whom shall be a student and one a Presidential designee. The number of Committee members, the composition of the Committee, and the method of selection shall be determined by each campus in a manner approved by the President or his/her designee. The President or his/her designee shall also appoint the Chair from among the Committee members.

- b. The Respondent charged with the violation, the Officer, and the Complainant shall have the right to challenge for cause any member of the Committee by submitting to a designated official a written memorandum stating the grounds for this challenge at least two days prior to the scheduled meeting. Removal of members for cause shall be within the authority and at the discretion of the Chair of the Committee or another member of the Committee if the Chair is unable to exercise that function or is challenged for cause.
 - c. In the case of gender discrimination, sexual harassment or a sexual offense, all members of the Committee shall have had training in handling complaints of sexual harassment and sexual violence.
- 3. Hearing Preliminaries
 - a. At any proceeding before the Committee, the Officer, the Respondent, the Complainant or any other party to the hearing may have the assistance of an advisor which may include legal counsel.
 - b. The hearing shall be closed. The Committee Chair may permit, in addition to the party's advisor, two support people for each the Respondent or Complainant to observe the proceedings. When the hearing is opened to any of the above mentioned people, the Committee Chair reserves the right to close the hearing or any portion thereof in order to protect any party participating.
 - c. If the Respondent or any other party is not present at the time appointed for the hearing, the Committee shall first attempt to determine the reason for that person's absence. The Committee may proceed in a normal manner without Respondent's attendance or any other party's attendance, may hear only a portion of the testimony and adjourn to a later date, or may continue the entire hearing to a later date. The Committee may not consider the absence of a party as relevant to whether the Respondent committed the alleged violation of the Code.
- 4. Hearing Procedures
 - a. Responsibility for recognizing and permitting persons to speak lies exclusively with the Chair.
 - b. Persons disruptive to any stage of the hearing may be evicted at the reasonable discretion of the Chair.
 - c. The Officer shall first present the results of the investigation and/or the charges against the Respondent.
 - d. The Officer and/or the Complainant may present oral testimony and/or written statements from any person(s) including the Respondent, and all relevant documents, records and exhibits.
 - e. The Respondent may then present written documentation or oral testimony from the Respondent him/herself and/or other witnesses, and all relevant documents, records and exhibits. The names of such witnesses and/or copies of written statements must be submitted to the Officer at least one working day prior to the hearing for inclusion in the materials presented to the Committee. At the discretion of the Chair, the Respondent or Complainant, in the case of gender discrimination, sexual harassment, or a sexual offense, may submit written documents, oral testimony of witnesses, and all relevant documents, records, and exhibits at the time of the hearing.
 - f. At any time during the proceedings, members of the Committee may question witnesses or parties to the proceeding; witnesses or parties may only ask questions of each other at the discretion of and through the Chair. Questioning by any advisor is not permitted. The advisors may not speak at the hearing.
 - g. After the presentation of all the information to the Committee, the Officer, the

Respondent and the Complainant if the alleged violation is gender discrimination, sexual harassment, or a sexual offense, may present arguments to the Committee on the applicability of this Code or the interpretation of any sections herein.

- h. At this time, the Office, the Respondent and the Complainant, in the case of gender discrimination, sexual harassment, or a sexual offense may make recommendations to the Committee as to the appropriate sanctions should a violation(s) be found to have been committed.
- i. During the hearing the Committee may consider any relevant information, shall not be bound by the strict rules of legal evidence, and may take into account any information which is of value in determining the issues involved. Efforts will be made to obtain the most reliable information available.
- j. After all parties have presented their respective information, the Committee shall go into closed session to determine whether the Respondent has committed the alleged violation and/or, if so, the sanction(s) to be imposed. Deliberations are not recorded. A Committee member should vote that the Respondent is In Violation of the Code only if convinced by a preponderance of the information presented that the Respondent has committed the act(s) as alleged. A simple majority vote of In Violation or Not in Violation of the Code by the Committee members present shall prevail. If the majority of the Committee votes for Not In Violation or there is a tie, the Respondent shall be found Not In Violation and the process shall end.
- k. If a Respondent is found to be In Violation of the Code, the Committee will deliberate on sanctions. Deliberations are not recorded. A majority vote of the Committee members voting shall prevail.
- l. After making its decision, the Committee shall inform the Respondent in writing of the disposition of the case as soon as practicable in the same manner as set forth in Section V.A.(2)(b) above. Any disciplinary sanctions imposed by the Committee shall be operative immediately upon notification, unless otherwise specified.
- m. The notice to the Respondent of the finding of the Committee shall include:
 - 1) The section(s) of this Code found to have been violated.
 - 2) The disciplinary sanction imposed or other sanction to be taken.
 - 3) Minority report and recommendations, if any.
- n. In the case of an alleged sexual offense or violent crime, the Committee shall inform the Complainant of the outcome of the proceeding at the same time as notice is provided to the Respondent. Notification will occur in the same manner as set forth in V.A.(2)(b) above.
- o. In the case of gender discrimination or sexual harassment the Committee shall inform the Complainant of the determination of whether there was harassment and any sanctions that directly relate to the Complainant. Notification will occur in the same manner as set forth in V.A.(2)(b) above.

E. Right of Review Beyond Committee

1. In the event the Committee approves a sanction of suspension or dismissal, or loss of recognition of campus organizations, the Respondent may request review by the President or his/her designee. In the case of gender discrimination, sexual harassment, or a sexual offense, the Complainant or Respondent may direct a request for review of the Committee's findings or actions to the President or his/her designee. Such request for review must be made within seven calendar days of notification of imposition of sanction. The request for review shall be in writing and limited to:
 - a. Review of the procedures followed. In the event of a significant procedural error, the President or his/her designee shall reverse and remand the case to the

- Committee for a new hearing as set forth in section V.D. above.
- b. Appropriateness of the sanction. The President or his/her designee may impose a more severe sanction in the case of gender discrimination, sexual harassment, or a sexual offense. The decision of the President or his/her designee shall be final and shall be communicated to the Respondent in the same manner as set forth in Section V.A.(2)(b) above.
 - c. In the case of an alleged sexual offense or violent crime, the president for his/her designee shall inform the Complainant of the outcome of the proceedings in the same manner as set forth in Section V.A.(2)(b) above.
 - d. In the case of gender discrimination or sexual harassment, the President or his/her designee shall inform the Complainant of the determination of whether there was discrimination or harassment and any sanctions that directly relate to the Complainant in the same manner as set forth in Section V.A.(2)(b) above.
