CAMPUS PUBLICITY

This policy has been established to give Minnesota State University Moorhead students, faculty, staff and recognized campus organizations guidelines for the distribution and display of literature on campus. Freedom of speech is encouraged, assuming compliance with building and University policies.

The source of any publicity information and the name of the organization must be stated on all posters or other printed materials. The organization and individual students participating are held responsible to ensure that there is no justified complaint on the grounds of obscenity or libel.

- All campus publicity must comply with the Title IX, Equal Opportunity, and the Alcohol Marketing policies (see Student Handbook for more information).
- Materials posted must be connected with the activities of the University, a recognized student organization, or a University department. The name of the student organization, student, faculty, or department must appear on the posted ad.
- Posted materials may not advertise profit-making goods or services, such as restaurants, bars, or commercial services, unless it is connected to the purposes and activities of the University or student organization.
- No publicity or literature is allowed on classroom chalkboards.
- Publicity or literature of recognized organizations may be placed on classroom bulletin boards, but permission must be obtained from the departments responsible for designated boards.
- Materials must be posted with substances that will allow easy removal of literature.
- Publicity that complies with the Campus Publicity policy may be placed on bulletin boards that are not reserved for specific departmental use.
- Any verbal publicity should follow the guidelines of the personal solicitation policy (see Student Handbook for more information).
- All organizations distributing publicity are responsible for cleaning up any resulting litter.
- Within buildings, materials are to be placed on bulletin boards only, not on walls, windows, or doors. Thumbtacks are preferred to attach materials to bulletin boards rather than tape or staples.
- Placement of any publicity outdoors on campus must be approved in advance by the Office of Administrative Affairs, Owens 206. This also includes can stands and sandwich boards placed outdoors.
- Special regulations regarding distribution of literature for Student Senate election candidates are available in the Student Senate Office, CMU 116B.
