Student Conduct Policy

I. SCOPE OF REGULATIONS

General Note:

When a student fails to maintain a reasonable standard of conduct whether on or off campus, he or she becomes subject to disciplinary action. All penalties provided for misconduct on the campus may be applied for similar misconduct off the campus.

A. Introduction:

As is the case with any other community, Minot State University has regulations reflecting the values to which the university is committed and which are designed to help ensure order in the university community. Students enrolled at Minot State University will be expected to conform to the ordinary rules of polite society; to be truthful; to respect the rights of others; to maintain integrity in scholastic work; and to have regard for the preservation of state property as well as the private property of others. A student is expected to be responsible for his/her actions whether acting individually or in a group. This judicial system has been established to deal with students who are accused of violating university policies and is comprised of students, faculty, and staff. The members of this system are committed to conducting fair hearings and following due process as well as being concerned with both the education of individual students and upholding the values to which Minot State University is committed.

In all disciplinary proceedings it shall be recognized that Minot State University is an educational institution and not a court of law. The concept of fair treatment shall be the norm for all settings and the guiding disciplinary philosophy shall be educational in nature. Every attempt will be made to resolve disciplinary incidents in an informal setting with the following goals in mind:

1. To assist the student/student organization in understanding why his/her/their behavior was inappropriate.
2. To assist the student/student organization in confronting the value questions involved in the behavior.
3. To encourage the student/student organization to understand the importance of considering in advance the consequences of his/her/their behavior so he/she/they might make better decisions in the future.

B. When the University Rules and Regulations Govern:

Students who are enrolled in the university are subject to the rules and regulations of the institution. In addition, persons who are not enrolled but are occupying university housing are subject to the rules and regulations of the institution.

Students are expected to conduct themselves in accordance with the laws of the federal government and the state of North Dakota, Board of Higher Education policies, Minot city ordinances, and university regulations. Students may be disciplined by the university for violating these standards of conduct even though the students may be punished by federal, state or city authorities for the same act. However, institutional disciplinary action shall not be used merely to duplicate penalties by civil authorities.

II. STANDARDS OF CONDUCT

A. Financial Transactions with the university:

The Business Office is responsible for matters relating to student financial transactions. Students who owe debts to the university may be denied enrollment or readmission and may have official transcripts withheld until the debt is paid.

B. Other Offenses:

Notwithstanding actions taken by civil authorities, the Vice President for Student Affairs or his/her designate may initiate disciplinary proceedings as outlined in Section IV against a student who:

1. Violates either singly or in concert with others the laws of the state of North Dakota or the United States, whether or not the violation occurs on university property or in connection with any university-oriented activity.
2. Possesses or uses firearms or fireworks on university property without written permission from the Physical Plant Director.
3. Conducts himself/herself in a manner that significantly interferes with the operation of the university.
4. Conducts himself/herself in a manner that significantly endangers the mental or physical health or safety of members of the university or visitors on the campus.
5. Damages, defaces or destroys university property.
