

Demonstrations Demonstrations must be scheduled two weeks in advance with the senior vice president for student affairs. The information required is a specific location, the beginning time, the ending time, and the name of the sponsoring organization. Demonstrations must be orderly and may not block entrances to buildings or interfere with free flow of pedestrian or vehicular traffic. If an amplification system is used, reasonable volume level will be determined by location and time of day. Failure to comply with these regulations may result in penalties, including loss of demonstration privileges.

Identification/Debit Cards

All students are issued identification/debit cards which they should carry at all times. The cards are the means of identifying students for library privileges, student health services, 43 athletic events, the meal plan, social events, check cashing, and other college functions or services open to them as students. Students are expected to present their cards upon request to any college official or employee. Any student whose identification/debit card is lost or destroyed may purchase a new one from the Office of Public Safety. Fraudulent use or transfer of an identification/ debit card is considered a violation of the Honor Code.

Posting Policy*

I. Academic and administrative departments will control, manage and maintain their own bulletin boards.

II. All other campus bulletin boards will be deemed for use by either (A) off-campus activities or (B) on-campus activities.

A. Off-Campus Activities

- Advertisements for legal off-campus activities will be limited to postings on four out-of-doors bulletin boards locations: the breezeway of the Stern Center, outside the west entrance of Maybank Hall, the kiosk in front of 10 Greenway, and the kiosk in front of 45 Coming. The boards will be clearly marked as "Off-Campus Activities."
- The College of Charleston Physical Plant will be responsible for the cleaning and maintenance of the Off-Campus Activities boards. Every Monday these boards will be cleared of all advertisements.

B. On-Campus Activities

1. The Office of Student Affairs will manage and maintain all non-departmental bulletin boards on campus.

*For the companion policy concerning student organizations and student elections see The Compass.

Soliciting

The College does not permit any type of soliciting on campus without the proper clearance, which includes a letter of authorization from the senior vice president for student affairs (or designee). Authorized solicitors will be assigned a specific area to offer services or information to the campus community. Unauthorized solicitors, as well as strangers who loiter on campus, should be reported promptly to the senior vice president for student affairs or to the public safety office. This provision should not be interpreted to include the orderly distribution of printed matter during a regular school day.

Speakers on Campus

Any registered student organization wishing to sponsor a speaker on campus is encouraged in their sponsorship to afford the campus community exposure to many points of view. Should the senior vice president of student affairs have reasonable apprehension founded in fact that a speaker's activities would cause a substantial disruption at the College, s/he may prohibit the appearance of the speaker. This is to assure that our community remains an open forum of ideas shared in a civil environment.
