Susan,

Based on the below message, I believe you need to clarify to Professor Mitzelfeld that I did not contact you to request her to have additional contact, of any type, with Corlet. I contacted you as the department chair to support an administrative withdrawal from the course, or other options, which did not involve Professor Mitzelfeld. I am totally dismayed by her continuous inaccurate characterization and attacks. I have personally stayed on this item, including consulting the General Counsel's Office, and requesting the chief of police to meet with her. Since Corlet has not made any threats to anyone, our only recourse is an administrative withdrawal, or the options we discussed. Susan, let me know if you want to further discuss our earlier conversation. I can be reached at (313) 587-5331.
