

**ROOFS**

Students are strictly prohibited from entering onto the roof of any campus building. Violators of this policy will be referred to judicial affairs.

**ROOM DECORATIONS**

Room decorations, including posters and pictures, must be limited in order to comply with all fire safety regulations. Nails, Scotch tape and masking tape should not be used to affix posters and pictures to the wall. Fun Tac is strongly recommended for every area except The Overlook. Painters tape may be used in The Overlook.

Drapes and/or beads that block egress from the room into the hallway are not permitted, as this poses a fire hazard. The blocking of heating units also poses a fire hazard.

Room doors (inside and outside) may not be covered with paper or other highly flammable material to excess. Only a small portion of your entrance and bathroom doors may contain papers, flyers, pictures, etc.

Wreaths, live trees, wired lights (such as holiday lights), and certain highly flammable furniture items are prohibited items that will be confiscated by Residence Life staff and discarded. Residents must also be careful not to damage walls through use of certain adhesives which may be difficult to remove. Charges for tape residue and damages to the wall from adhesives will be assessed at the time of the resident's checkout from the room.

Residents who are under the age of 21 years old and/or are living in areas where alcohol is prohibited may not display decorative alcohol containers in their rooms, or alcohol paraphanelia . Windows can not be decorated with any type of alcoholic displays. The item will be confiscated; each of the residents of the room/suite/apartment will be fined and may face judicial action.

**SCREENS**

Screens may not be removed from residence hall windows. Throwing anything out of the room/apartment window is prohibited. Entering/exiting through any room/apartment window is also prohibited. A fine and judicial action may result for removing screens from anywhere in the residence halls including rooms/apartments and common areas such as stairwells, lobbies, lounges, etc.

**SOCIAL GATHERING POLICY**

Location	Maximum # of Persons Permitted in Suite or Apartment (Including residents)	Smoking Permitted	Alcohol Permitted
Pine Hall	12	No	No
