### Definition of University Property

---

University property includes all real estate owned or controlled by the University, starting from the curb-edge inward, as well as sidewalks and building entrances. Public streets are controlled by the respective municipalities through their ordinances. University Avenue from the intersection of Church Street traveling west, North Campus Drive, South Campus Drive, East Campus Drive, Carey Drive, East Carey Drive, and the service road through the Gordon Environmental Center are not public streets and are considered University property.

This policy supersedes all previous Noncommercial Literature Distribution/Non-sponsored Presentations or Demonstrations policies enacted prior to this date (updated June 2017)
