Understanding "Consent"

Definitions

Regardless of the definitions below, if you have faced or are facing unwanted sexual behavior, please contact the Title IX Coordinator for assistance and guidance.

Sexual Harassment is unwelcome conduct of a sexual nature that limits a student's ability to participate in or benefit from an educational program. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature on or off campus.

Sexual Assault or Sexual Violence is a form of sexual harassment. It encompasses not only forced sexual intercourse (vaginal, oral, or anal) but unwanted touching, fondling, or groping of sexual body parts. It can be committed by the use of threats or force or when someone takes advantage of circumstances that render a person incapable of giving consent, such as intoxication.
